

Christine M. Bergeron

Fisheries and Wildlife Department
Virginia Polytechnic Institute
and State University
Blacksburg, VA

134 Cheatham Hall
cbergeron@vt.edu

Hometown: Old Orchard Beach, ME

Advisor: Dr. William A. Hopkins

Research Focus: Maternal transfer of metals in amphibians

Education

University of Maryland Center for Environmental Science
Chesapeake Biological Laboratory, Solomons, MD
Master of Science Degree (2005)
Marine, Estuarine, and Environmental Science Program
Area of Specialization: Environmental Chemistry

Thesis Title: The impact of sediment resuspension on mercury cycling and the bioaccumulation of methylmercury into benthic and pelagic organisms

Assumption College, Worcester, MA
Bachelor of Arts Degree (2001)
Major: Biology Minor: Chemistry

Work Experience

The Environmental School (TES) Education Naturalist (2002)
Ocean Park, ME

Field and Lab Technician (2001)
North Carolina State University, Zoology and MEAS Department, Morehead City, NC

NSF Research Experience for Undergraduates (2000)
Chesapeake Biological Laboratory, Solomons, MD
